

# Sleepless

deadmau5

Sinking slowly in the tide,  
silent strangers on the side.  
Lies are dripping off your face,  
take me to a noble place.

And I'm not helping anymore,  
you don't know what you're looking for.  
I just know how weak you are,  
you're gonna find another star.

Sinking slowly in the tide,  
silent strangers on the side.  
Lies are dripping off your face,  
take me to a noble place.

Sinking slowly in the tide,  
silent strangers on the side.  
Lies are dripping off your face,  
take me to a noble place.

And I'm not helping anymore,  
you don't know what you're looking for.  
I just know how weak you are,  
you're gonna find another star.

Inn the end,  
we are nowhere.  
Sleepless and still and tight.  
Maybe we shouldn't fall asleep,  
saving what was left behind.  
Standing outside the chalk outline,  
beside ourselves in time.  
The only thing I want is the last thing I need.  
Awake and sleepless as stars shine.
