

# The Long Ride Home

Deadsoul Tribe

Haven't I gave it all for you?  
Haven't I paid enough for what you say and what you do?

I've found the way  
I've found the way  
I'd love to take you to my world

Haven't I waited long for you?  
Haven't I waited long for you?  
Haven't I played my song,  
Prayed so long for something new?

I know the way  
I'm on the way  
I'd love to take you to my world
