

In Secrecy

Deadstar Assembly

(Tonight we're gonna bleed) Tonight we're gonna bleed
(Tonight we die in) Tonight we die in secrecy

The arrival now we've set the stage
Raising volume and our souls are aflame
Sonic thunder reveals a fantasy
A swirling sea of stars
The night is ours to claim

(Tonight we're gonna bleed) Tonight we're gonna bleed
(Tonight we die in) Tonight we die in secrecy
We're sworn in secrecy
We're sworn in secrecy
We're sworn in secrecy
Cause tonight we're gonna bleed

The dream is live now
Touched by thousands of hands
Shouting words out
The darkest choir commands
Running war paint showered in manic light
Here come the sirens our fire burning bright

(Tonight we're gonna bleed) Tonight we're gonna bleed
(Tonight we die in) Tonight we die in secrecy
We're sworn in secrecy
We're sworn in secrecy
We're sworn in secrecy
Cause tonight we're gonna bleed

We're gonna bleed for you
We're gonna bleed for you
This night is ours these swirling stars
Revealing a fantasy
We're gonna bleed in secrecy

(Tonight we're gonna bleed) Tonight we're gonna bleed
(Tonight we die in) Tonight we die in secrecy
(Tonight we're gonna bleed) Tonight we're gonna bleed
(Tonight we die in) Tonight we die in secrecy
We're sworn in secrecy
We're sworn in secrecy
We're sworn in secrecy
Cause tonight we're gonna bleed
