

Human Destroyer

Deals Death

Don't say my name, I cannot fall into light.
A useless leftover tearing apart.
All that you worked for destroyed. Fuck you!

Don't say my name, a choice you can stand up against.
A feeling of wanting is heading your way.
All I can say is good luck.

Cause I don't give a fuck where you set your feet, where you go
to sleep.
It's all just disgrace to smudge your name.

A Human destroyer

Tell me the way, the way to salvation.
Still I have strength left to fuck up your day.
A crucial component is here.

Watch as I blow up your soul. I'm out of control.
I don't give a shit about your god damn hunger.

Chorus

Try to rid me of my enemy. A risk to be taken.
A force to dark to deny see for yourself what a souls power can
do.
Its horrible insides. A plan that is yet to be complete.
A human destroyer

Now it is time. Wage war on the weakened.
A purpose to live by, a wishful design.
A fucking empire. Hell yeah!

Do say my name. Your boss stands before you.
A judge full of hatred is looking at you.
It's time that you pay for your sins.

And I don't give a fuck where you set your feet, where you go t
o sleep.
Its all just disgrace to smudge your name.

Chorus

Try to rid me of my enemy...
