

Bucket List

Dean Brody

I've never been to Paris
And I don't intend to go
I've never been to the China wall
Or took a selfie on the sunset coast
It ain't that I ain't ambitious
I got a wild side, yes I do
I've always had a bucket list, couple dollars in my fist
On weekends it comes true

'Cause in my bucket I've got ice
In my bucket I've got beer
Just a little yellow bucket, I'm living life
Got all I ever could want right here
You gotta love it, all my friends
Are coming over to have a sip
Yeah, if it pops the top it checks all the boxes
On my bucket list

How 'bout we take my boat out
Beach it on a sand bar on the lake (sounds good)
Bikinis, koozies and fishing poles
[?] on a prop today
'Cause I've worked my blue-collar forty
Now it's time for some time for me (feels good)
Yeah, I've always had a bucket list, lookie here, I caught a fish
Oh, ain't this life a dream?

'Cause in my bucket I've got ice
In my bucket I've got beer
In my little yellow bucket, I'm living life
Got all I ever could want right here
You gotta love it, all my friends
Are coming over to have a sip
Yeah, if it pops the top it checks all the boxes
On my bucket list

Maybe somehow I'm missing out
And I oughta find a dream to chase
But the boys just tossed me another one
So for now I think I'll stay

'Cause in my bucket I've got ice
In my bucket I've got beer
Round a little yellow bucket, we're living life
With all we ever could want right here
Oh, you gotta love it, all my friends
Are coming over to have a sip
Yeah, we got Moosehead, Big Rock, Lug Tread, Shiner Bock
Yuengling, Coors Light, Heineken, Red Stripe
Hucklejack, Bud Light, we could be here all night
Bucket list

(We're here all night)
