I'll Be

Dean Geyer

The strands in your eyes the colour them wonderful Stop me and steal my breath Emeralds from mountains thrust towards the sky Never revealing their depth

And tell me that we belong together Dress it up with the trappings of love I'll be captivated I'll hang from your lips Instead of the gallows of heartache that hang from above

And I'll be your crying shoulder I'll be love suicide And I'll be better when I'm older I'll be the greatest fan of your life

Rain falls angry on the tin roof As we lie awake in my bed You're my survival, you're my living proof That love is alive and not dead

So tell me that we belong together Dress it up with the trappinngs of love I'll be captivated I'll hang from your lips Instead of the gallows of heartache that hang from above

And I'll be your crying shoulder I'll be love suicide And I'll be better when I'm older I'll be the greatest fan of your life

And I dropped out, I burned up I fought my way back from the dead And I tuned in, I turned on Remembered the things that you said

And I'll be your crying shoulder I'll be love suicide And I'll be better when I'm older I'll be the greatest fan of your life
