

# The Pretender

Dean Geyer

He don't know about that  
She was mine and now I'm not meant to touch  
But here I am, I'm touchin'  
I've fallen in love with the adrenaline rush

[?] all burnt down  
Whoa-oh, whoa-oh  
Higher than I was before  
Whoa-oh

I'm sick of all the lies  
But I wanna keep pretendin'  
Addiction in disguise  
Yeah, we're guilty and we know it  
Whoa-oh-oh  
How the hell does she sleep at night?  
Whoa-oh-oh  
Every day is another lie  
Whoa-oh-oh  
Everybody knows  
She lives a secret life  
She lives a secret life

Just a toy, oblivious  
Never again will he be able to trust  
She plays the game, heartbreaker  
She's the enemy but I can't stop, can't get enough

[?] all burnt down  
Whoa-oh, whoa-oh  
Higher than I was before  
Whoa-oh

I'm sick of all the lies  
But I wanna keep pretendin'  
Addiction in disguise  
Yeah, we're guilty and we know it

Whoa-oh-oh  
How the hell does she sleep at night?  
Whoa-oh-oh  
Every day is another lie  
Whoa-oh-oh  
Everybody knows  
She lives a secret life  
She lives a secret life

She's trouble  
She's undercover  
And I like it

I'm sick, sick, sick of all the lies  
But I wanna keep pretendin'  
Addiction in disguise  
Yeah, we're guilty and we know it

Whoa-oh-oh

How the hell does she sleep at night?  
Whoa-oh-oh  
Every day is another lie  
Whoa-oh-oh  
Everybody knows  
She lives a secret life  
She lives a secret life
