

# Captured

Dean Martin

I tried to get away from your burning lips  
I didn't want to play with your burning lips  
I tried to get away from the flame but the flame tossed my heart  
And I'm captured yes I'm captured  
I'm enraptured by your charms  
I can't hold out I've been sold out  
By the thrills I found locked in your arms

The moment that our eyes met I realized  
Another moment more and I'd be hypnotized  
I tried to turn away from your eyes but your eyes held me fast  
And I'm captured yes I'm captured  
There is nothing I can do  
I can't back track there's no track back  
I am yours heaven open it's doors  
And as I wandered through  
(Captured by you)  
Captured by you  
(I couldn't get away get away from you)
