

Rain

Dean Martin

(Rain rain don't go away)
(Rain rain don't go away)
Rain let's us cuddle while the rain
Pitter patters on the pane
And we're alone
A chance to while away the dreary afternoon
The lovely peaceful afternoon
So no one can see us

Rain (don't go away)
It's so cozy in the rain (don't go away)
There's no reason to complain
If she's with you
To hold her hand and then it's ten to one you'll kiss her
In the rain rain rain

Rain it's so cozy in the rain (pitter patter on the pane)
There's no reason to complain
If she's with you
To hold her hand and then it's ten to one you'll kiss her
In the rain (rain) rain (rain) rain (rain)
Rain rain rain
