

## Way Down Yonder in New Orleans

Dean Martin

Way down yonder in New Orleans  
In the land of the dreamy dreams  
There's a garden of Eden that's what I mean  
Creole babies with flashing eyes  
Softly whispering with the tender sighs  
Stop, won't you give your lady fair  
A little smile  
Yeah, stop, you bet your life you'll linger there  
A little while  
Well there is heaven right here on earth with those beautiful q  
ueens
