

# What a Difference a Day Made

Dean Martin

What a difference a day made  
Twenty four little hours  
Brought the sun and the flowers  
Where there used to be rain

My yesterday was blue dear  
Today I'm part of you dear  
My lonely nights are through dear  
Since you said you were mine

What a difference a day makes  
There's a rainbow before me  
Skies above can't be stormy  
Since that moment of bliss that thrilling kiss

It's heaven when you  
Find romance on your menu  
What a difference a day made  
And the difference is you
