

Mr Man

Dean Ray

Excuse me, Mr Man
I am not a fool
I've just got some questions to ask you

Why do the richest get the riches
When the poorest pick the corn
Why do the taxes drown deeper
Then they ever done before

Why did you sell up all the power
To the communist ashore
A dollar then is not a dollar now
Is a dollar really worth the war

Wait up, Mr Man
Oh Mr Man
Oh Mr Man
Oh Mr
Wait up, Mr Man
Is it all for one or one for all
Wait up, Mr Man
Oh Mr Man
Oh Mr Man
Oh Mr
I can't afford to pay the price you've made
Mr Man

There's a fire in the lobby
But they're laughing in the house
The dreamers they've been dreamin'
But the dreams are runnin' out

There's a new world order comin'
Hell it's walking through the door
I pay my share for a common life
But I cannot pay anymore

Wait up, Mr Man
Oh Mr Man
Oh Mr Man
Oh Mr
Wait up, Mr Man
Is it all for one or one for all
Wait up, Mr Man
Oh Mr Man
Oh Mr Man
Oh Mr
I can't afford to pay the price you've made
Mr Man

Wait up, Mr Man
Oh Mr Man
Oh Mr Man
Oh Mr
Wait up, Mr Man
Is it all for one or one for all
Wait up, Mr Man

Oh Mr Man
Oh Mr
I can't afford to pay the price you've made
Mr Man
