

## Dickson County

Deana Carter

I live by the river on the wrong side of town  
Nothing much to do here but listen to the sound  
Of a train I'll never catch passin' me by  
Of the muddy water drinkin' the tears that I cry

So I heard you're comin' back with somebody else  
Well, if I had the time, if I had a little help  
Every bridge in Dickson County would be burning down tonight  
Every bridge in Dickson County would be burning down tonight

I have to think of something, I just have to find a way  
Before you cross that river, before I see your face  
'Cause I can see your headlights and I can feel the pain  
And nothing's gonna save me if I see you again

But if I could use this torch I carry to put it all to rights  
I'd be baptized in the ashes come the morning light  
And every bridge in Dickson County would be burning down tonight  
t  
Every bridge in Dickson County would be burning down tonight

I'd pay the price, I'd take the blame  
If I could see it go up in flames

And if I could use this torch I carry to put it all to rights  
Every bridge in Dickson County would be burning down tonight  
Dickson County
