

I Don't Want To

Deana Carter

Just looking in your eyes, I can see that something's changed
I can't forget the last time that you looked at me that way
Those roses on the dresser should bear someone else's name
I know it and you know it...

[CHORUS:]

LOVE YOU? WHY WOULD I WANT TO
TRY TO MAKE BELIEVE IN A SHIP THAT'S ONLY SINKING
TO NEED YOU WHEN I WANNA LEAVE YOU
ONLY MAKES IT HARDER TO TRY TO START TO LOVE YOU
WHEN I DON'T WANT TO.

I look around our room and some things are out of place
Your shirt) is wrinkled on the floor and there's a missing picture frame
I know I'm home a little early, tell me why the bed is made?
You know it and I know it...

[CHORUS]

[SOLO]

Those roses on the dresser should bear someone else's name
You know it and I know it...

[CHORUS]
