

## You Can't Stay

Deana Carter

I wasn't built for the back burner  
Don't try to save me for a rainy day  
You come in like a thunderstorm  
You blow out like a hurricane (you're like a hurricane)...

WHY DO YOU SAY GOODBYE, THEN STAY A LITTLE LONGER  
I CAN'T EVEN CLOSE THE DOOR  
WHY DO YOU MAKE ME CRY THEN TAKE AWAY YOUR SHOULDER  
I DON'T WANNA LIVE ALONE ANYMORE.

I did all I could to treat you good  
I never even took a holiday  
But now I'm saying all the things I should  
It's time to shoot it straight (it's time to shoot it straight)  
...

WHY DO YOU SAY GOODBYE, THEN STAY A LITTLE LONGER  
I CAN'T EVEN CLOSE THE DOOR  
WHY DO YOU MAKE ME CRY THEN TAKE AWAY YOUR SHOULDER  
I DON'T WANNA LIVE ALONE ANYMORE  
THE TRUTH IS THERE'S SOMEONE WAITING  
AND I DON'T WANT TO TURN HIM AWAY  
SO YOU CAN'T STAY.

[solo]

WHY DO YOU SAY GOODBYE, THEN STAY A LITTLE LONGER  
I CAN'T EVEN CLOSE THE DOOR  
WHY DO YOU MAKE ME CRY THEN TAKE AWAY YOUR SHOULDER  
I DON'T WANNA LIVE ALONE ANYMORE  
THE TRUTH IS THERE'S SOMEONE WAITING  
AND I DON'T WANT TO TURN HIM AWAY  
SO YOU CAN'T STAY.

You had my heart but you let it slip away  
Now you're coming back around and you can't stay.
