

American Cockroach

Deap Vally

Low class, low class, low class
I can't help it, I was born in the trash
Low class, low class, low class
I can't help it, I was born in the trash

Do I make you uncomfortable
While you eat your vegetable
I am crawling at your feet
Feasting on forgotten meat

Left right, center center
Keep it together-gether
Left right, center center
Keep it together-gether
Left right, center center
Keep it together-gether
Left right, center center
Keep it together-gether

Drop the bomb on me
Drop the bomb on me
I got armor on me
Feed me anarchy
I am perfect
Evolutionary
You can't kill me
The world belongs to me

Low class, low class, low class
I creep in the dark and I multiply fast
Low class, low class, low class
I'll never go away, I'm a pain in your ass

I'm your neighbor
Living in the gutter
Come see how I live
It will make you shudder
I'm so gross, I'm so great
I'm the riff raff you love to hate

Left right, center center
Keep it together-gether
Left right, center center
Keep it together-gether
Left right, center center
Keep it together-gether
Left right, center center
Keep it together-gether

Drop the bomb on me
Drop the bomb on me
I got armor on me
Feed me anarchy
I am perfect
Evolutionary
You can't kill me
The world belongs to me

The world belongs to me
The world belongs to me

Always fail up, never die down
Always fail up, never die down
Always fail up, never die down
Always fail up, never die down

Drop the bomb on me
Drop the bomb on me
I got armor on me
Feed me anarchy
I am perfect
Evolutionary
You can't kill me
The world belongs to me

Drop the bomb on me
Drop the bomb on me
I got armor on me
Feed me anarchy
I am perfect
Evolutionary
You can't kill me
The world belongs to me
