

# Creeplife

Dear Valley

You were a wolf dressed as a man  
I was a girl dressed as a lamb  
You crave some tender meat  
Something delicate to eat

Don't ya dare, don't ya dare, don't ya dare, show up  
Don't ya dare, don't ya dare, don't ya dare, show up  
Don't ya dare, don't ya dare, don't ya dare, show up  
You're just some dirty old man!

You're so cool, VIP  
You get the girls with the fake ID  
You get the ish with HPD  
I get the creeps when I think of thee

Don't ya dare, don't ya dare, don't ya dare, show up  
Don't ya dare, don't ya dare, don't ya dare, show up  
Don't ya dare, don't ya dare, don't ya dare, show up  
You're just a D.O.M.!

Girls, stay away from that one if you know what's good for you

You've got creep life, you've got creep style  
You've got creep life, you've got creep style  
You've got creep life, you've got creep style

And don't think I'll be visiting you in jail - huuah!

Don't ya dare, don't ya dare, don't ya dare, show up  
Don't ya dare, don't ya dare, don't ya dare, show up  
Don't ya dare, don't ya dare, don't ya dare, show up  
You're gonna get what's comin' to you creeper!
