

Everyone is, everyone is  
A fucking critic, fucking cynic  
Everyone is, everyone is  
A fucking critic, fucking cynic

It's e-easy to be a junkie  
And it's e-easy to be  
On you high fucking horsey  
And it's e-easy to be so special  
When you're fucking beautiful, and you're rich  
And it's e-easy to get bitter  
I should know...

Everyone is, everyone is  
A fucking critic, fucking cynic  
Everyone is, everyone is  
A fucking critic, fucking cynic

It's e-easy to see  
The worst in everybody  
It's e-easy to be  
A fucking hater  
And it's e-easy to hide  
Behind your computer  
And it's e-easy to talk shit  
Everybody talks shit

Everyone is, everyone is  
A fucking critic, fucking cynic  
Everyone is, everyone is  
A fucking critic, fucking cynic  
Everyone is, everyone is  
A fucking critic, fucking cynic  
Everyone is, everyone is  
A fucking critic...
