

Get Gone

Deap Vally

Ah

Come on, let's go, let's go, let's go!

I think I wanna get gone

Where are we going, where have we gone?

I wanna roll to the motion of the ocean in the sub

And ride, ride, ride, ride, baby we gone

Where are we going, where are we going?

You can't catch me, I gotta, gotta, gotta go

Where are we going, where have we been?

I think I wanna run over to swim

I wanna roll to the motion of the ocean in the sub

And ride, ride, ride, ride, baby we gone

Gonna pack up my bags, you can't catch me

I gotta, gotta, gotta go

Where are we going, where are we going?

I gotta, gotta, gotta go

Gotta, gotta, gotta go

Let's go, let's go, go, go
