

Lies

Deap Vally

Brother, brother, brother
You need to learn a thing or two
Brother, brother, brother
I'm gonna teach a thing to you
Brother, brother, brother
You're untrue, you're untrue
Brother, brother, brother
These legs are closed to you

Lie, lie, lie
And you look me in the eye

Brother, brother, brother
Little boy, you've got some nerve
Brother, brother, brother
You're gonna get what you deserve
Brother, brother, brother
I tell you you've got no spine
Brother, brother, brother
And you ain't no friend of mine

Lie, lie, lie
And you look me in the eye

I thought we agreed
You wouldn't have the need to spread your seed
But it's a fact
You broke your contract
You're gonna pay tenfold
You're gonna be alone when you grow old
Babe, I wasn't bluffin'
From now on, you get nothin'

Lie, lie, lie
And you look me in the eye
