

Look Away

Deap Vally

When she says, when she says, it's okay
Mother, mother told me
It is so, it is so, it is so late
This is heart, this is heart, this is heartache
It is so, it is so, it is so late, oh well

Picture myself on a hill
Picture myself in LA
Picture myself all lost in a moment of dreams
And I'm going to be
In your arms, it's a holiday
In your arms, it's a holiday
In your arms, it's a holiday, holiday

Look away, look away, look away
Look away, look away, look away
Look away, look away, look away, look away

When he says, when he says, it's okay
Johnny, Johnny told me
It is so, it is so, it is so late
This is heart, this is heart, this is heartache
It is so, it is so, it is so late, oh well

Picture myself on the sand
Picture myself by the sea
Picture myself all warm in a moment of dreams
And I'm going to be
In your arms, it's a holiday
In your arms, it's a holiday
In your arms, it's a holiday, holiday

Look away, look away, look away
Look away, look away, look away
Look away, look away, look away, look away
