Dear Valley

You'll hear me coming like a tornado  
You might fear me, and I don't blame you  
I didn't come here to make friends, no  
I came to make history, so baby let's go

I'm a superior supreme supernatural thing  
Supernatural  
I'm a superior supreme supernatural thing  
I'm supernatural

Do you hear me? Can you hear me now?  
Can you hear me, Mother Superior?  
Do you hear me when I scream and shout?  
You're gonna listen 'cause this is serious

I'm a superior supreme supernatural thing  
Supernatural  
I'm a superior supreme supernatural thing  
I'm supernatural
