

Turn It Off

Deap Vally

I get high
Just seeing him
And I get high
There's no reason
I get high
He sucks me in
I get high
Secondhand

I don't wanna feel this
Turn it off
I don't wanna feel this
Turn it off
I don't wanna wait, wait, wait, wait
Turn it off
But I'm gonna stay, stay, stay, stay
Turn it off

What the hell
Are you blind
What the hell
Is on your mind
Come on, now
Come on, guy
What you tryin'?
I'm gonna lose my mind

I don't wanna feel this
Turn it off
I don't wanna feel this
Turn it off
I don't wanna wait, wait, wait, wait
Turn it off
But I'm gonna stay, stay, stay, stay
Turn it off

Come on now
Stick it to me
Figure it out
Ooh yeah
It's dangerous
When you stand me up
Come on now
Who are all these clowns?

I don't wanna feel this
Turn it off
I don't wanna feel this
Turn it off
I don't wanna wait, wait, wait, wait
Turn it off
But I'm gonna stay, stay, stay, stay
Turn it off

I don't wanna feel this
Turn it off
If you're not gonna feel this

Turn it off
It's dangerous
Don't turn it off
It's dangerous
Don't turn it off
Don't turn it off
