Desire

Deas Vail

I don't know what love is
The truth is that I don't know to be honest
It's possible that...
I don't want to turn away
I don't want to be afraid
I want you in every way
To come back the way you came

I don't want to turn away (I don't know what love is)
I don't want to be afraid (The truth is that I don't)
I want you in every way (know to be honest)
To come back the way you came (It's possible)

Fire burning on desire
Fire burning on desire

Fire burning on desire

You say you're running out of the truce
And it contradicts the interest in you

You say you're running out of the truce
And it contradicts the interest in you

You say you're running out of (fire)
The truce (Burning on desire)
And it contradicts the interest in you
You say you're running out of (fire)
The truce (Burning on desire)
And it contradicts the interest in you
