

## From Priests to Thieves

Deas Vail

So we'll settle our scores  
And go our own ways  
And we're changing our course  
And playing it safe  
So this is the end  
And everything's been turned over  
I guess we'll begin all over again

I'm not coming back  
It's all your fault  
We loved ourselves and lost it all  
What have we done  
What have we become

To open your eyes  
And come back around  
Or get on with your life  
With your head in the clouds  
It's all for the best  
Is that just what we tell ourselves  
We still have our days  
When will they end

You're not coming back  
It's all my fault  
We loved ourselves and lost it all  
What have we done  
What have we become

We're not coming back  
It's all our fault  
We loved ourselves and lost it all  
What have we done  
What have we become  
We become  
We become
