

# Death Conspiracy

Death By Stereo

the sound, of revolution  
the soul, my evolution  
i take the test and fail  
i take my lumps and wail  
its a conspiracy  
yeah its inside of me

life, its all distorted  
but sound, we can record it  
the sound, of revolution  
the soul, my evolution

i can do nothing else  
i walk alone and sing to myself  
i walk alone in my own personal hell  
a place i call home, its a place i dwell  
its one part of a conspiracy  
inside of you and me

forward  
march  
move  
break  
smash  
build  
pull  
take

forward  
march  
move  
make  
smash  
build  
break  
stake

i can do nothing else  
i walk alone and sing to myself  
i walk around in my own personal hell  
a place i can call home, its where i dwell

forward  
march  
move  
break  
smash  
build  
pull  
take

forward  
march  
move  
make  
smash  
build

break  
stake

are you ready for the revolution  
because when it comes, what are you going to do  
are you just going to sing about it

wont block or break the sound  
these thoughts are to profound  
its a conspiracy  
yeah its inside of me

its a conspiracy  
a death conspiracy  
its a conspiracy  
inside you and me

i let the hammer fall  
i watch it smash them all  
do not ignore the sound  
whether it big or small

the sound of death breathes life  
you cant ignore the signs  
it will infect your head  
i will inject my finds

sound  
revolution  
sound  
revolution

the sound of death breathes life  
do not ignore my strife  
i said im death for life  
yeah man im not for life

the sound of death breathes life  
do not ignore my strife  
i said im not for life  
yeah man im death for life
