

I Sing for You (Part Deux)

Death By Stereo

Go!

Sold myself some misery
I can't take another day
Seein' you pushed to the edge
Try to reach you once again
I can't hold you with these hands
I can't make you understand
You got so much fight to bring
When you're silent, I sing

(Whoa-oh-oh, whoa-oh-oh, whoa-oh)
I sing to you
(Whoa-oh-oh, whoa-oh-oh, whoa-oh)
I sing for you

(Drown, down)
Sink into nothing like we do
All this pain I see, it's killing you
(Drown, down)
Use this pain to push us through
If we stand together, we will break through

A violent force that keeps you down
It tricks the heart, your soul is bound
A fire burning way inside
With all this power, we will rise
Take it back, this is your life
To numb the mind is their design
You got so much fight to bring
Join me when I sing

(Whoa-oh-oh, whoa-oh-oh, whoa-oh)
I sing to you
(Whoa-oh-oh, whoa-oh-oh, whoa-oh)
I sing for you

(Drown, down)
Sink into nothing like we do
All this pain I see, it's killing you
(Drown, down)
Use this pain to push us through
If we stand together, we will break through

Sold myself some misery
Depression, gotta break free

Join me when I sing

(Whoa-oh-oh, whoa-oh-oh, whoa-oh)
I sing to you
(Whoa-oh-oh, whoa-oh-oh, whoa-oh)
I sing for you
(Whoa-oh-oh, whoa-oh-oh, whoa-oh)
I sing to you
(Whoa-oh-oh, whoa-oh-oh, whoa-oh)
I sing for you
