

Wrong Color, Wrong Town

Death By Stereo

We're fighting for our lives, they keep on drawing lines
It's always, it's always, it's always the same
Big brother flying high, nowhere that you can hide
We're always, we're always, we're always to blame
Destroy the innocent, to cultivate your plan
It's always, it's always, it's always the same
You are a worthless pile, not even half a man
We're always, we're always, we're always to blame

I will never, no surrender
Don't tell me what you think is right
No surrender, neverender
This is the way we live our lives

They swore he had a gun, those pigs don't like to run
It's always, it's always, it's always the same
Our human rights denied, we're boiling from inside
We're always, we're always, we're always to blame
Another man down, wrong color, wrong town
It's always, it's always, it's always the same
You wanna get real, let's make some piggies squeal
We're always, we're always, we're always to blame

I will never, no surrender
Don't tell me what you think is right
No surrender, neverender
This is the way we live our lives

I won't give in
I can't back down
I won't give in
I can't back down

I will never, no surrender
Don't tell me what you think it is right
No surrender, neverender
This is the way we live our lives
