

## Someday You Will Be Loved

Death Cab for Cutie

I once knew a girl  
In the years of my youth  
With eyes like the summer  
All beauty and truth  
In the morning I fled  
Left a note and it read  
Someday you will be loved.

I cannot pretend that I felt any regret  
Cause each broken heart will eventually mend  
As the blood runs red down the needle and thread  
Someday you will be loved

You'll be loved you'll be loved  
Like you never have known  
The memories of me  
Will seem more like bad dreams  
Just a series of blurs  
Like I never occurred  
Someday you will be loved

You may feel alone when you're falling asleep  
And everytime tears roll down your cheeks  
But I know your heart belongs to someone you've yet to meet  
Someday you will be loved

You'll be loved you'll be loved  
Like you never have known  
The memories of me  
Will seem more like bad dreams  
Just a series of blurs  
Like I never occurred  
Someday you will be loved

You'll be loved you'll be loved  
Like you never have known  
The memories of me  
Will seem more like bad dreams  
Just a series of blurs  
Like I never occurred  
Someday you will be loved  
Someday you will be loved
