

This Charming Man

Death Cab for Cutie

On two bicycles
On a hillside desolate
Could nature make a man of me yet?

When in this charming car
This charming man

Why ponder life's complexities
When the leather runs smooth
On the passenger seat?

I would go out tonight
But I haven't got a stitch to wear
This man said it's crucial
That someone so handsome should care

Ah! I'm just a country boy
Who never knew his place
He said return the ring
He knows so much about these things
He knows so much about these things

I would go out tonight
But I haven't got a stitch to wear
This man said it's crucial
That someone so handsome should care
La, la-la, la-la, la-la, this charming man ...
La, la-la, la-la, la-la, this charming man ...

Ah! I'm just a country boy
Who never knew his place
He said return the ring
He knows so much about these things
He knows so much about these things
