Death from Above 1979

N.Y.C.  
Power Elite  
N.Y.C.  
Power Elite

They got ripped jeans in the boardroom  
Boredom in the bedroom  
Nose-jobs, snow-jobs  
High above the city

N.Y.C.  
Power Elite  
N.Y.C.  
Power Elite

They go upstate on the weekends  
Helicopter brunches  
Art-shows  
Cryptos to exes on the payroll  
"I haven't carried cash since 9-11"

I'm just like you  
I'm no hero  
Just add zeros  
I'm just like you  
I'm no hero  
Just add zeros to zeros

N.Y.C. power Elite  
Breakaway uncivilized  
N.Y.C. power Elite  
I'm morally un-compromised  
N.Y.C. power Elite  
Got something special cooking uptown, baby  
N.Y.C. power Elite  
I'll send a black car to you downtown maybe  
"I haven't eaten cake since last election"

I'm just like you  
I'm no hero  
Just add zeros  
I'm just like you  
I'm no hero  
Just add zeros to zeros
