

## N.Y.C. Power Elite Part II

Death from Above 1979

It's killing me just living  
It's killing me just living in the city

I'm ninety-three and slipping  
While CNN is tripping when the phone rings

She said:  
"It's killing me just living  
It's killing me just living in this body"

I'm ninety-three and haunted  
By ghosts in old world clothing  
When the phone rings
