How I ride, why I ride, never really had ta try I, I, I... eeuuhh Nevermind that, black jack Needle to da mainline junk prepared in a head that Never came up for air Fallin apart can't get a grip Don't give a fuck if I did Way shit goes It'll be just find Oh, oh, oh How to rob men blind (Cant do a thing but fold) Yeah watch that Can't do a thing... black jack Comin from that hit me until Twenty one makes Your chips mine Black jack don't trip You got the bill Twenty one shots to your grill Bow down or die everytime I slap them thangs Flat black chains rattlin Shawshank the box Can't be contained Man came ta pick the lock Empty the vault And leave no trace Sleep don't wake Hit em low and keep rollin to da beat no breaks Slow it down then accelerate To hell it's cake Like sellin weight No middle man Made bitch mistakes Blackjack High king, ace, to knees the place put down by g's raisin the stakes You know what's up Straight How the fuck is that? Blackjack But don't forget to watch this Tounge push bankroll off my lips Who the hell are you legit What the fuck you think man shit Blackjack

No need ta count the deck

(Always keep my)

I own it
Drop that
Lead chin check
To your dome it's on black
Respect me zone or get caught back handed leather strap hit ya so hard
Knocked flat broke by a bloke wit dat golden contact glove hold da smoke
Of most high fire bon tap tap
(Cant do a thing but fold)
Yeah watch that

Can't do a thing... blackjack

Don't forget to watch this
Tongue push bankroll
Off my lips
Who the hell are you legit
What the fuck you think man shit

You know what's up Straight How the fuck is that... blackjack Blackjack don't trip you got the bill, twenty one shots to your grill
