Bring In The Night

Death in June

Bring in the Night Wrapped in Twilight We can only Care If we Cull...

From Nowhere to Nothing From Nothing to Nowhere

The Body has poisoned The Light of The Truth

The Runes of Dead Men
The Runes of Dead Loves
The Runes of Dead Dreams
The Runes of Dead Thoughts
The Runes of Dead Memories
The Runes of Past Lives
The Runes of Past Lies
Laying Old Ghosts
And the Slaying of Time.
