

## The Maverick Chamber

Death in June

Here in the maverick chamber  
Disapproval came to play  
Stateless middle aged still feral  
Unhappily decayed

Here in the maverick chamber  
Disproval came to play

Stigmata haunted alas seasons  
And the thinking mans mind  
And thee European experience  
Never free to confined

Passion and rage is a trick of the trade  
But here in the maverick chamber  
Disapproval came to play

Here in the maverick chamber  
Disproval came to play  
Stigmata haunted alas seasons  
And the thinking men confide  
And thee European experience  
Never free to survive

But here in the maverick chamber  
Disproval came to play
