

## Their Deception

Death in June

Paradise and Ministry  
Moon beams insanity  
Futile in Your Oaths  
Thoughtless unbelief

Principled Obscurity  
Focus Lost Obscenity  
No voice should ever rise  
Above the sound of battle

War is deception  
Justify the forbidden  
Discontent the darkness  
It kneels in false homage  
It kneels in false homage

What they say is not the issue  
What they mean is in their hearts  
A good cause should not be delayed  
Or, The Sun could change Its mind  
What they say is not the issue  
What they mean is in their hearts  
A good cause should not be delayed  
Or, The Sun could change Its mind,.....

(Their Deception)

Falsehood and people  
Promote the spirit  
Of telling The Truth  
But, meaning the lie

Anticipate battle  
Natural dismissal  
When dealing with martyrs  
One must keep this in mind

War is deception  
Justify the forbidden  
Discontent the darkness  
It kneels in false homage  
It kneels in false homage  
It kneels in false homage,.....
