

Animals

Death Plus

Yeah, aye
You don't wanna know
Yeah, you don't wanna know
What we got in store
[?] you know
I don't think you wanna know
(Wanna know)

We're animals
We're just some animals
We're just some little fucking creatures [?]
Fuck the planet, though
Fuck the other animals
Fuck 'em

Just some animals
Just some animals
All the other animals
Wanna die, too
