

## Bands On Me

Death Plus

(Saw me with the bands on me)  
Charlie Shuffler  
(That's the only time that you want me)  
(Saw me with the bands on me)  
(That's the only time that you want me)  
(Yeah, you got your eyes on me)

Saw me with the bands on me  
That's the only time that you want me  
Yeah, you got your eyes on me  
[?] on me  
I don't wanna die this way  
But it's everything that I dreamed of  
Yeah, you got your eyes on me  
I don't really know if you want me

You got me [?] sometimes  
You gotta let me go sometime  
Yeah, I don't even know why  
I try so hard and feel so tired  
You got me [?] sometimes  
I ask why you do it all the time  
Same thing, same place, just a different night  
You don't want anything that I got tonight  
Yeah, I [?] again  
Got time but I wanna be your friend  
Hold on, baby girl  
Let's make amends  
It's fine, or goodbye, this is the end

Saw me with the bands on me  
That's the only time that you want me  
Yeah, you got your eyes on me  
[?] on me  
I don't wanna die this way  
But it's everything that I dreamed of  
Yeah, you got your eyes on me  
I don't really know if you want me
