

Behind The Scenes

Death Plus

Aye, yuh, aye, yuh, what

Wonder why I wanna die
They all talk about ya
Everyone I like, they know
But they don't know about ya
Yeah, they watchin' us
See 'em creepin', I know they watchin'
They wanna know about us
They wanna know about the
Life that I'm livin' behind the scenes
Don't know what it means
Never really me
I'm about to kill myself so I can't feel a thing, yuh
You're the only one that I need, yuh

Messed up
Yeah, you know I'm next up
I just got a check bigger than the last one
I'm blessed up
Check up
On me cause the drugs come with success, yuh
DEATH+
I'm up in this bitch
I'ma flex, yuh
They wanna know about me
Tell 'em take a guess
They see me shinin'
I'ma put 'em in a hex
I'm on a roll, yo
I'm goin' out west
Shout us out to everybody [?], yuh

Wonder why I wanna die
They all talk about ya
Everyone I like, they know
But they don't know about ya
Yeah, they watchin' us
See 'em creepin', I know they watchin'
They wanna know about us
They wanna know about the
Life that I'm livin' behind the scenes
Don't know what it means
