

## break you down

Death Plus

There's so much more to do when I don't got you on my mind  
I guess it's time, leave it out, baby get me mine  
Hold the tempo, hold the pitch and let the record shine  
It's only you but [?], yeah, it's you and I  
Made an agreement that I shouldn't go without you  
I only said it cause I didn't know how to  
Break it down, babe  
Don't wanna break you down  
Make a sound, babe  
I wanna take you down  
With me, yeah
