Death Plus

Project Infinite

Weapon up in my pocket while I'm counting all these bands up
If you see death better stand up
Show respect put yo muthafuckin hands up
I be on some shit that these muthafuckas just can't touch
Runnin yo mouth pussy I can't fuckin stand ya
Stay quiet or do something bitch man up
Say you makin moves but you don't even gotta plan bruh
Who the one that's out here really makin the demands bruh

Plussed up to the top, yeah I'm really what you not
Ima ghost, you won't see me cuz I'm busy grinding hustling for
my spot, yeah I'm always bouta drop something cold
Yeah I'm on some other shit they ain't familiar Ima killa with
the flows
Say some shit they be like whoa

Hopped up out the coffin, and got up on my hustle
I been pushing I been giving everything that I can muster
Leave me how you found me, don't fuck with no one I can't trust
em
Don't you come around me or Ima turn you into nothing
Hopped up out the coffin, and got up on my hustle
I been pushing I been giving everything that I can muster
Leave me how you found me, don't fuck with no one I can't trust
em
Don't you come around me or Ima turn you into nothing
