

## casting spells

Death Plus

And when you turn to me  
I always think about  
All the times you told me  
That you're a little worn-out  
It's always cold out  
When you're with me  
Every little thing's such a problem  
Find myself trying to solve them  
Spells that you cast, hypnotic  
I wish I could see the outcome  
Spells that you cast, hypnotic  
I wish I could see the outcome
