

## Coffins

Death Plus

Back home to the cemetery  
Spend a long night here alone without you, baby  
I can't take it it anymore, I love the fuckin' [?]  
Can't sit around and wait, no

Walking out to the world I left behind  
And the girl I told I loved her  
But it really was a lie  
You're the thing that keeps me going  
When I'm out of my own mind  
You're the only thing I'm hoping  
Can get me to stay alive  
I still wanna die  
I still wanna die  
Going off, got it deep inside  
Take you for a ride  
Girl, take you inside  
Then I take out my knife  
I don't know if I survive

My coffin's calling me  
I'm off it, I can't breathe  
I'ma take you back home to the cemetery  
Spend a long night here alone without you, baby  
I can't take it anymore, I love the fuckin' [?]  
I can't sit around and wait 'cause I don't got the patience  
My coffin's calling me  
I'm off it, I can't breathe

Spend a long night here alone without you, baby  
I can't take it it anymore, I love the fuckin' [?]  
I can't sit around and wait, no
