

# Darkness

Death Plus

Everywhere I'm going all I see is darkness  
Every day I wake up I'm feeling so heartless  
Feeling like Annie, got bloodstains on my carpet  
Shit's fucked up, I guess that's just a part of it

Everywhere I'm going all I see is darkness  
Every day I wake up I'm feeling so heartless  
Now I'm feeling like Annie, got bloodstains on my carpet  
Shit's fucked up, I guess that's just a part of it

What the fuck they want from me? Please don't fucking talk to me  
Do this shit myself, ain't taking shit they tryna offer me  
Had to go through some shit, they don't know what it costed me  
Don't trust nobody no more, so please get lost from me  
Pick it up, get it together, move cautiously  
Yeah they mad I'm becoming what they wanna be  
I don't really give a fuck if no one proud of me  
All my deathgang killaz down to ride for me

Everywhere I'm going all I see is darkness  
Every day I wake up I'm feeling so heartless  
Feeling like Annie, got bloodstains on my carpet  
Shit's fucked up, I guess that's just a part of it

Everywhere I'm going all I see is darkness  
Every day I wake up I'm feeling so heartless  
Now I'm feeling like Annie, got bloodstains on my carpet  
Shit's fucked up, I guess that's just a part of it

I could never change, never switch up on my people  
Fake motherfuckers come around me, feel the heat though  
I can't stand this shit, so I stay choking on that weed smoke  
Gotta get high before I knock your fucking teeth out  
Infinite, deathgang, know what we be about  
Teaching 'em bout some shit that these motherfuckers can't read about  
These the thoughts running through my head whenever I be alone  
We the ones, the rest of the world just don't wanna think about  
But just know that we about to do some shit cuz I been thinking 'bout it eve  
ry day and in my sleep it's all I dream about  
Sometimes wanna give it up cuz I keep feeling down about myself and everythi  
ng around me feels like it's sinking down  
I can't quit, been so patient, know they waiting  
Going crazy, 'bout to show 'em ain't nothing gon' keep me down  
Do this for my dogs in the ground, rest in peace  
I hope that you can see me now

Everywhere I'm going all I see is darkness  
Every day I wake up I'm feeling so heartless  
Feeling like Annie, got bloodstains on my carpet  
Shit's fucked up, I guess that's just a part of it

Everywhere I'm going all I see is darkness  
Every day I wake up I'm feeling so heartless  
Now I'm feeling like Annie, got bloodstains on my carpet  
Shit's fucked up, I guess that's just a part of it
