

day after day

Death Plus

Day after day
I just keep feeling the same way
I'm lost inside of my own brain
Help me, I don't know where I'm going
Day after day
You keep the same look on your face
And I don't know if you really want me
Or if you just keep me here to use me
Day after day
Day after day
Day after day
Help me, I don't know where I'm going
