Death Plus

Yeah  
Elevation  
Elevation  
Elevation  
Elevation

Elevation  
When you're lost in a meditation  
Trapped in the quotations  
When you just need a vacation  
Every day is wasted  
And I keep going crazy  
I'm lost in the elevation

Lost in the elevation  
Lost in the elevation  
The elevation  
The elevation  
The elevation  
The elevation  
The elevation  
The elevation  
The elevation
