

Energy

Death Plus

Think I hate everything
I don't got empathy
You don't know what's best for me
They're all my enemies
Lookin' out to the end of the world
I don't want anything
I'm trapped here with you girl
You're the only thing that's left for me

I just want it off
Shut it off
Fuck the world I'm on
Don't wanna be involved
In all your lifeless
Meaningless activities
I don't want you to take what's left of me

I don't want them to take my energy
