

Fucked Up

Death Plus

You were right when you told me I was fucked up
I didn't know what I was doing, I was fucked up
Senpai

You were right when you told me I was fucked up
I didn't know what I was doing, I was fucked up
I was riding, I was gone off of the drugs
I just didn't give a fuck 'cause I never give a fuck
I give up, that's what you wanted
I'm okay, I'm just fine yeah
Don't talk to me, yeah don't mind me
I'm here now, let's stop fighting

Be quiet, I'm trying
I don't know why you look into my eyes, babe
You were right, I lost control but I'm okay
I'm just lonely right where you put me
You kill me, you don't get me
And it hits me, the way you did me
If you can fix me, I'll be still here
Yeah bitch, you got nothing to fear

You were right when you told me I was fucked up
I didn't know what I was doing, I was fucked up
I was riding, I was gone off of the drugs
I just didn't give a fuck 'cause I never give a fuck
I give up, that's what you wanted
I'm okay, I'm just fine yeah
Don't talk to me, yeah don't mind me
I'm here now, let's stop fighting
