

## Get Away From Here

Death Plus

Everyone's talkin', they lie to themselves  
They don't want to be seen by you wanna be no one at all  
Want the world to know I don't give fucks about  
Nothing, no, you're on the way to just falling down  
Will there ever be way out there?  
Wanna get away from here  
Ridin' up in the whip to get what I want  
I don't have no fears  
You don't wanna get with me  
You wouldn't get anything  
You don't wanna get with me  
You wouldn't get anything
