

## I Don't Know What To Call This

Death Plus

Rip off your head to make sure you've got a way out  
You are not safe alone here this far down  
Wish I could've been there  
Wish I could've been there for you  
And tell me all of this when you're out here  
Out in the weather, it's a cold world out here  
Wish you were right here  
Wish you were right here with me

If you don't wanna bleed well then just stay here  
I'ma be the one to leave  
Get the dope, get the keys, never play witchu, hoe

If you [?] then you'll know what it means  
I'm on some other shit, bitch  
I'm out, I say "Fuck it", I do what I please

You pussies ain't [?] and shit  
Always on the same shit just for your clique  
Take you away with the flames [?] gasoline [?]  
Tryna stay away from the snakes in the mist
